
Tekhnê Journal

Tekhnê Journal is an institutional publication from the Technological Faculty at District University Francisco José de Caldas. It has a scientific nature and attends the specialist national and international community in the areas of electrical, electronics, mechanical, systems, industrial and civil engineering. The journal publishes research results in Spanish or English (original and unpublished papers), and is fully open to experts from around the world as authors and/or readers. It is arbitrated by a double-blind process, with continuous rotation of evaluators. The periodicity for its Scientific and Editorial committees line-up is subject to the publication of papers in internationally indexed journals by its own members.

Periodicity

Tekhnê journal has twice a year periodicity, coinciding with the academic semesters of the District University. The publication is made in July and December. The first edition of the journal was published the first half of 2003, keeping its regularly until today.

Mission

Tekhnê journal is aimed at publishing research results carried out in the field of engineering, through the publishing of original and unpublished articles written by academics and professionals from national or international public or private institutions. It aims for the dissemination of results and its open and free access.

Target audience

Tekhnê journal is directed to professors, researchers, students and professionals interested in permanent update of their knowledge and the monitoring of the scientific research processes in the field of engineering.

Form of acquisition

Tekhnê journal is available through purchase, exchange or subscription.

Sign up

The unit price of the journal is 8.000 Colombian pesos (the price does not include shipping). The annual sign up is 21.000 Colombian pesos, 20 USD in Latin America and the Caribbean, 30 USD in other regions (the price includes shipping).

Reproducción

The total or partial reproduction of the papers of this journal is authorized for academic or internal purpose of the institutions citing the source and the author. Ideas expressed are published under exclusive responsibility of the authors and they do not necessarily reflect the thought of the editorial committee of the journal or the District University.
